

MCINTOSH ELEMENTARY SCHOOL

2022-2023 SCHOOL RATING: **YELLOW**

The school quality rating is a component of the strategic plan for the district. It is made up of the school scorecard and standards of practice.

A **yellow** rating means the school is receiving inconsistent results on the scorecard and standards of practice and they need extra support.

WHAT IS OUR FOCUS?

Using data to support all students will be an area of emphasis for the 2023-24 school year.

Here are some things you can do at home to support your student:

- Read to your child.
- Sound out letters & words with early readers.
- Ask older children comprehension questions.
- Attend conferences.
- Utilize the SeeSaw app to connect with the teacher.

IMPORTANCE OF ATTENDANCE

Research shows that missing 10 percent of the school year, or about 18 days, negatively affects a student's academic performance. That's just two days a month and that's known as chronic absenteeism.
