ADDENDUM NO. 1

RFIs:

1. What is the construction schedule for this project? I have spoken to a few Tennis Court companies who have made it clear that installation this year will not be possible and that a late May early June 2023 start (after boy's tennis) will be best. ***Start date to be after 2023 tennis season is done. Project completion by June 30, 2023 (end of RPS fiscal year).***
2. Can the school district please share electronic files for the logos and lettering as well as the preferred font? These stencils will need to be priced prior to bid submittal. ***See attached.***
3. There is a construction note #4 for the Auburn courts called out but there is no note #4. Please advise. ***This note reference should be to the "Tennis Court Accessories" section on Sheet 2 of 5.***
4. Are there any liquidated damages? ***No***
5. Is orange snow fence acceptable as a construction fencing for this type of project? ***Construction fencing is not needed unless there is a safety hazard, then orange snow fence would be acceptable.***

Clarifications:

1. Curbing on north side of Guilford tennis courts shall be included in the resurfacing scope of work.
