## CLARIFICATIONS

Below are questions and responses from the Tuesday, April 4, 2023 Pre-Bid Meeting.

1. What is the purpose and duration of this contract?
  - a. Nineteen of our elementary schools voted to extend their school day. Our current route schedule will not accommodate the new bell times. We currently have funding secured for the 2023-2024 school year, but may continue at some schools for an additional one or two years.
2. Will the District do the routing?
  - a. No.
3. Will route counts be the same as they are now?
  - a. Yes, that is very likely.
4. Would it be acceptable to combine routes?
  - a. Yes.
5. Would it be okay to share buses and/or drivers with other school Districts?
  - a. Yes, equipment and drivers may be shared with other Districts. However, routes themselves shall not be shared with students from other Districts.
6. Does the District have any interest in evaluating current RPS routes?
  - a. No, not at this time.
7. Would the District consider accelerating the timeline for award of the RFP.
  - a. Yes, our recommendation will not go to the April 25, 2023 Board meeting.
8. Does the District have buses or space?
  - a. No.
9. Are we expected to pick up kids within a half block?
  - a. Students living more than .2 miles from the school should be included in the routes.
10. If a facility is created in Rockford would the District expect maintenance?
  - a. Yes, however the District may be able to provide maintenance to be credited to our invoices.
  - b. A local facility is not required to fulfill this contract.
11. Whose radio would be utilized?
  - a. The contractor's radio will be utilized.
12. (RPS question) Any other challenges we should consider?
  - a. Short timeframe for implementation.
  - b. Availability of buses and drivers.
13. How many bus driver vacancies does RPS currently have?
  - a. About 35.
14. Could we get information regarding current routes? Specifically number of kids per route, live time per route. Maybe even directions though not sure if that is needed?

- a. Rout information is included in this addendum. Student data will be provided in an Excel file to those who attended the pre-bid meeting via email.

15. Could there be slight modifications of school times if that allowed pairing and reduction in buses/drivers needed? If so, how much?

- a. No, we will not be able to accommodate different school times.

## PRE-BID CONFERENCE OPENING STATEMENT

The goal of today's meeting is to increase your knowledge of the solicitation as it is written and provide an information mechanism in which you may advise the School District of any changes it should make. Consequently, any changes you wish the Rockford Public Schools to consider must be submitted in writing to the Purchasing department before the deadline as expressed in the solicitation.

We will try to answer as many of the questions as possible. If we cannot answer a question today, we will defer that answer to the published Addendum. Additionally, minutes from this pre-bid conference will be published in the Addendum.

- Board Approval May 23, 2023.
