2022-2023 SCHOOL RATING: **YELLOW**

The school quality rating is a component of the strategic plan for the district. It is made up of the school scorecard and standards of practice.

A **yellow** rating means the school is receiving inconsistent results on the scorecard and standards of practice and they need extra support.

## WHAT IS OUR FOCUS?

Based on student results, reading will be an area of emphasis for the 2023-24 school year.

Here are some things you can do at home to support your student:

- Read to your child.
- Sound out letters & words with early readers.
- Ask older children comprehension questions.
- Attend conferences.
- Utilize the SeeSaw app to connect with the teacher.

## IMPORTANCE OF ATTENDANCE

Research shows that missing 10 percent of the school year, or about 18 days, negatively affects a student's academic performance. That's just two days a month and that's known as chronic absenteeism.
