4. ERRORS IN PROPOSALS. Respondents are cautioned to verify their Proposals before submission. Negligence on the part of the Respondent in preparing the Proposal confers no right for withdrawal or modification of the Proposal after it has been opened. In case of error in the extension of prices in the Proposal, the unit prices will govern and bind Respondent.

5. RESERVED RIGHTS. The District reserves the right at any time and for any reason to cancel an RFP, accept or reject any or all Proposals or any portion thereof, or to accept an alternate offer which meets all terms and conditions of the RFP. The District reserves the right to waive any minor informality or defect in any RFP and Proposal. Unless otherwise specified, the District will award a Proposal or reject Proposals within 90 days of the date of Proposal opening. The District may seek clarification from any Respondent at any time and failure to respond promptly is cause for rejection.

6. INCURRED COSTS. The District will not be liable for any costs incurred by Respondents in responding to an RFP.

7. AWARD. The District will evaluate Proposals and will award a contract to any responsive and responsible Respondent whose Proposal will be most advantageous to the District. Determination of award of the RFP will include such factors (where applicable) as (a) adherence to all conditions and requirements of the technical specifications and the terms and conditions of the RFP; (b) price; (c) qualifications of the Respondent, including past performance, financial responsibility, general reputation, experience, service capabilities, and facilities; (d) delivery or completion date; (e) product appearance, workmanship, finish, taste, feel, overall quality, and results of product testing; (f) maintenance costs and warranty provisions; (g) repurchase or residual value; and (h) other such related items. The District may accept any item or group of items of an offer, unless the Respondent qualifies the Proposal by specific limitations. The District reserves the right to determine award on the basis of an individual item, groups of items, or in any way determined to be in the best interests of the District. A written award or

ROCKFORD PUBLIC SCHOOLS DISTRICT NO. 205

GENERAL TERMS AND CONDITIONS

acceptance of a Proposal mailed or otherwise furnished to the successful Respondent within the time for acceptance specified in the RFP and if the Proposal takes no exception to the entire terms and conditions of the RFP shall result in a binding contract without further action by either party provided, the District at its discretion may elect to require a formal written contract in which event a binding contract is not formed until the written contract is signed by the Contractor and the Board.

8. PRICING. The price quoted for each item is the full purchase price, **including delivery to destination**, and includes all transportation and handling charges, premiums on bonds, material or service costs, patent royalties and all other overhead charges of every kind and nature. Unless otherwise specified, prices shall remain firm for the Contract period.

If at any time after the RFP is awarded, the successful Respondent(s) makes a general price reduction in the comparable price of any material covered by the contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to the contract for the duration of the contract period (or until the price is further reduced). Such price reduction shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For the purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered (1) to successful Respondent's customers generally, or (2) in the successful Respondent's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this contract. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a "general price reduction" under this provision. The successful Respondent shall invoice the District at such reduced prices indicating on the invoice that the reduction is pursuant to the "price reduction" provision of this contract. The successful Respondent, in addition, shall within ten (10) days of any general price reduction, notify the Executive Director of Budget and Purchasing of such reduction by letter. Failure to do so may result in termination of the contract.

Option year pricing, if any, may include price increases as stated in the Proposal specifications.

9. DISCOUNTS. Prices quoted must be net after deducting all trade and quantity discounts.

10. SPECIFICATIONS. Reference to brand names and numbers is descriptive, but not restrictive, unless otherwise specified. Substitute or "as equal" products may be submitted to the Purchasing Department not less than 5 days prior to the opening date of the RFP along with all supporting documentation. If the substitute or "as equal" product is accepted, the District will issue an Addendum approving the product. Proposals on equivalent items will be considered, provided the Respondent clearly states exactly what is proposed to be furnished, including complete specifications. Respondent by submission of a Proposal is offering a referenced brand item as specified or is bidding as specified when no brand is referenced and does not propose to furnish an "equal." The District reserves the right to determine whether a substitute is equivalent to and meets the standard of quality and salient characteristics indicated by the referenced brand name and number.

11. SAMPLES. Samples of items, when called for, must be furnished free of expense. Individual samples must be labeled with the Respondent's name, RFP number, item reference, manufacturer's brand name and number. If samples are requested, they must be sent under separate cover and not included with Proposal. The District will not be responsible for any Proposal enclosed with sample boxes.

12. INTERPRETATION OR CORRECTION OF BIDDING DOCUMENTS. Respondents shall promptly notify the District of any ambiguity, inconsistency or error which they may discover upon examination of the RFP documents. Interpretations, corrections and changes to the RFP may only be made by the issuance of an addendum by the District. Each Respondent shall ascertain prior to submitting a Proposal that all addenda have been received and acknowledged in the offer.

13. INDEMNIFICATION. The Respondent agrees to indemnify and hold harmless the Board of Education of and Rockford School District No. 205, Winnebago and Boone Counties, Illinois according to the terms and conditions of the Hold Harmless Agreement included in the RFP and signed by Respondent.
