ROLLING GREEN ELEMENTARY SCHOOL

2022-2023 SCHOOL RATING: YELLOW

The school quality rating is a component of the strategic plan for the district. It is made up of the school scorecard and standards of practice. **A yellow rating means the school is receiving inconsistent results on the scorecard and standards of practice and they need extra support.**

WHAT IS OUR FOCUS?

Using data to support all students will be an area of emphasis for the 2023-24 school year.

Here are some things you can do at home to support your student:

- Provide positive examples for how to handle emotions.
- Set aside time to review your child's schoolwork and provide feedback.
- Utilize the SeeSaw app to connect with the teacher.
- Attend conferences.

IMPORTANCE OF ATTENDANCE

Research shows that missing 10 percent of the school year, or about 18 days, negatively affects a student's academic performance. That's just two days a month and that's known as chronic absenteeism.
