

CIRCLES OF LEARNING

2022-2023 SCHOOL RATING: **GREEN**

The school quality rating is a component of the strategic plan for the district. It is made up of the school scorecard and standards of practice.

A green rating means the school is beginning to see consistent results on the scorecard and the standards of practice.

WHAT IS OUR FOCUS?

Using data to support all students will be an area of emphasis for the 2023-24 school year.

Here are some things you can do at home to support your student:

- Acknowledge & speak with your child about feelings.
- Attend conferences.
- Problem solve with your child when they are experiencing strong emotions.
- Encourage learning through play.
- Utilize the SeeSaw app to connect with teachers.

IMPORTANCE OF ATTENDANCE

Research shows that missing 10 percent of the school year, or about 18 days, negatively affects a student's academic performance. That's just two days a month and that's known as chronic absenteeism.

COMMUNITY PARTNERS

Please contact the school to learn more about how our community partners can help.
